

Individual coffee beans  
electronically selected

## BAR SUPER

From the passion  
and experience...  
... to the guarantee  
of superior  
quality coffee

# BAR SUPER

Selected coffee blend – every coffee bean is examined in colour by an optical electronic selection procedure.

This coffee blend is certified by the "CSC" association (Certified Specialty Coffee)

## Category

Coffee

## Product Name

"Bar Super"

## Packaging

Available in 1000g bags -  
whole bean coffee

## Sensory Characteristics

A particularly well balanced coffee blend -  
a good bodied coffee with a sweet  
aftertaste and a floral aroma.  
For coffee aficionados seeking  
superior quality coffee

## Distinguishing Features

- CSC certified coffee (Certified Specialty Coffee) along with ISO-9002 certification guarantees the superior product quality
- Each bag has an individual code and a unique hologram logo which ensures that each bag contains Certified Specialty Coffee
- Each coffee bean contained in this blend is examined in colour by an optical electronic selection procedure, eliminating any unripe beans that could potentially spoil a perfect cup

## Culinary Suggestion

Suitable all day long - for a perfect start in the morning, ideal for after lunch, as a pick-me-up in the afternoon or anytime just for sheer pleasure
