The MD Dermatics Difference

MDD⁶

Our MDD6 preparation method is stamped on every product that leaves our laboratory. The MDD6 designation ensures sustained action the ingredients undergo at the right areas of the skin.

Effective

Every product in our range were designed to give the best results in the shortest time possible. Successful results are our primary objective.

New

We use the latest ingredients and most modern techniques while developing our products. Our key ingredient review is an essential step in our product design step.

Quality

Every single product goes through a stringent quality examination to ensure only the finest product reaches the consumers' dressing table.

Approved

All our products are manufactured in an FDA approved facility, this ensures a clean, hygienic and safe environment for our products to be born in.

Safe

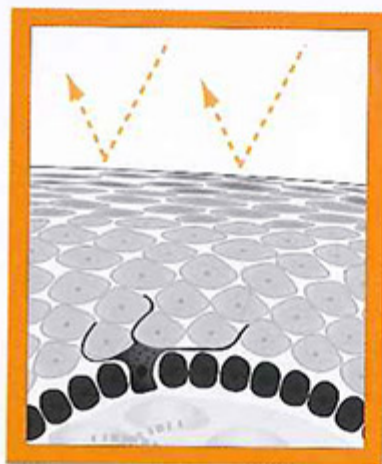

Our 100% safety record over the past 2 decades is a strong testament of our dedication of providing 'Safe for long term use' products to our customers.

Have you Discovered the key to lasting beauty ?

We have. Keeping your skin youthful is a combination of maintaining the results you have finally achieved, and protecting it from aging further. MD Dermatics maintenance and sun protection range work in tandem to keep your skin problem-free, prolonging the results that you have attained during treatment.

UVA & UVB damage is blocked or absorbed.

Skin is kept hydrated, leaving it plump and supple.

Skin cells are stimulated, allowing skin renewal to take place.

All is lost without proper maintenance

When the skin reaches its optimum skin health level, MD Dermatics maintenance range extends this pinnacle, allowing healthy skin cells to maintain its optimum level of activity while pre-mature aging concerns are kept at bay.

From moisturizers, serums to masques, our arsenal to combat such concerns are second to none.

Be Acne Smart

Take full control today

3 PRONGED APPROACH to fighting acne

- 1 **CLEAN**
Pore walls are kept clear from debris, preventing clogged pores.
- 2 **ELIMINATE**
Acne bacteria is destroyed.
- 3 **STARVE**
Sebum production is regulated, preventing excessive oil production.

265% MORE EFFECTIVE
than single method acne systems

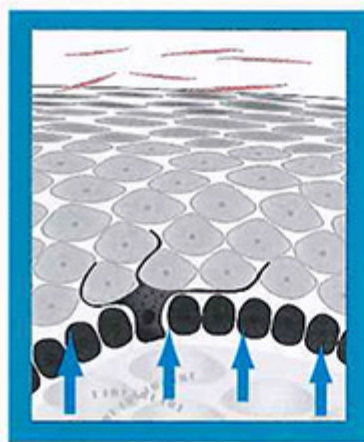

Our Acne-Smart Advanced Acne System range combines a mixture of proven ingredients and MD Dermatics' unique formulations to treat and prevent further onset of acne and other pore related concerns. Salicylic acid and Benzoyl Peroxide are introduced into the patient's regimen to provide pore clearing and acne fighting properties while prolonging the patient's protection against reoccurrence.

- Cleans and clears pore walls and hair follicles ✓
- Prevents clogging of pores and follicles ✓
- Regulates oil/sebum production ✓
- Eliminates acne bacteria at the cellular level ✓

Use Daily Day & Night for clear, problem-free skin

Our signature Whitenance Series Skin Rebirth System works beyond the surface of the skin, targeting problems at their source while stimulating healthy cell renewal and fortifying the skin from within. The choice of Dermatologists and Aestheticians globally, our System brings Skin Health to an optimum level, alleviating the skin problems and concerns that many people experience today.

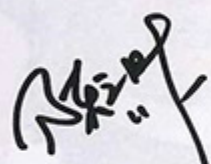

Dead skin cells are exfoliated, allowing new cells to surface.

Constant skin renewal repairs damaged skin while dark spots are diminished.

Production of new skin cells is enhanced.

- ➔ Improves the appearance of wrinkles/fine lines
- ➔ Lightens hyper-pigmentation and age spots
- ➔ Boosts the production of collagen & elastin
- ➔ Improves skin texture and smoothness
- ➔ Creates a balanced and even skin tone
- ➔ Improves elasticity and skin suppleness
- ➔ Boosts and strengthens the skin's defense
- ➔ Refines the appearance of enlarged pores

Used daily, the MD Dermatics Skin Rebirth System gives you clear and problem-free skin for life.
