

## An Enriching LEGO® Experience

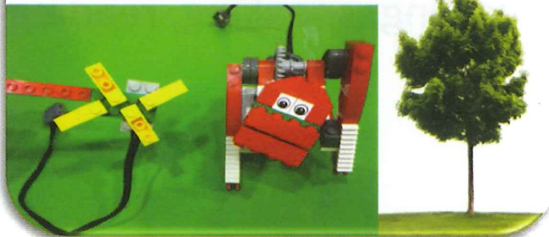

Age 4 - 5

### Key learning values

- Train listening and writing.
- Learn expressive words.
- Character development
- Practice handwriting

Give your children a chance to tap on their wealth of imagination. Using themes that they are familiar with, children are guided to construct objects with LEGO® bricks, and are taught to craft vivid stories. They also learn to narrate their stories expressively and confidently.

Unable to bear the scorching sun , the gorilla decides to take a break under a maple tree. Just at this moment, he is being lured by the aroma from the bunch of bananas.

Unable to resist the temptation , he asks for Roy's permission to share the bananas with him.

Roy does not want to see his best friend suffer from hunger , so he decides to share the banana with Mr. Crocodile.

An Enriching LEGO® Experience

# Speech, Reading & Writing

**Multi-sensorial** - uses the senses of touch, hearing and sight when children build their models.

**Multi-faceted** - encompasses the 4 components essential for language learning (writing, speaking, reading and listening).
