

Tei-Fu™ Metashaper™

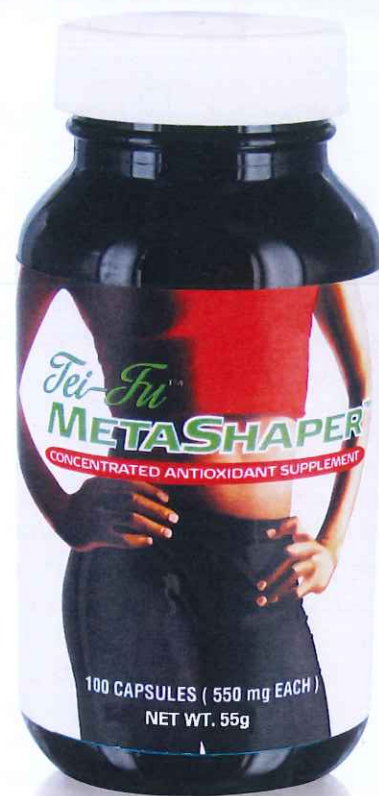

Fire Up Your Fitness, Naturally!

Ready to shape up your body for an exciting new you? With proper exercise and a balanced diet, MetaShaper™ helps transform your body into a leaner, firmer, more confident you. Our expertly calibrated, fast-acting formula contains an exclusive combination of resveratrol, green tea extracts, and other antioxidants designed to decrease your caloric intake and neutralize free radicals.*

The main ingredient in MetaShaper™ is resveratrol, a powerful antioxidant found naturally in the skin of red grapes and other foods, and which has been shown in studies to help improve overall health, longevity, and appearance. Dr. Chen has concentrated the amount of this antioxidant to maximize its beneficial effects: one bottle of MetaShaper™ contains more resveratrol than a thousand bottles of red wine.

This groundbreaking supplement contains no added hormones, laxatives, or stimulants—just all-natural, easily absorbable ingredients that help achieve your fitness and weight-management goals safely and steadily.** Within no time, you'll enjoy enhanced energy and a streamlined shape.**

Concentrated, convenient, and effective, MetaShaper™ not only fits your life, it transforms it!

Owner Expertise

Researched, developed, and made by Sunrider in Southern California.
